On the intracoastal heading South out of the Pamlico Sound, or North from Adams Creek (Beaufort, Atlantic Beach), head for marker FLR6S (Green marker, flashing every 4 seconds, 15'); this is the "Neuse River Junction" marker.

From the Neuse River Junction marker, head 14 degrees 2.4 miles by 194 degrees and you will be in Oriental.

From the Neuse River Junction marker, head 142 degrees 1 mile by 322 degrees and you are in the intracoastal cut through Adams Creek which will dump you out in Beaufort.

From the Neuse River Junction marker head 82 degrees 5.8 miles by 262 degrees up the Neuse River and you hit a Flashing Green every 2.5 seconds. At this point you are directly off Minnesott Beach (This is where the ferry channels are marked).
